

Application Process

1. Any member not on probation may sponsor a new applicant. Members are only allowed to sponsor 1 applicant at a time. The sponsor will be held accountable and act as the primary contact between the applicant and the membership committee.
2. The application fee is \$150.00 (of which \$75.00 is non-refundable), and must accompany the completed application.
3. Applicants that were previous members of the Men's Association are treated as new applicants.
4. Once the application is accepted and reviewed by the membership committee, the applicant will be put on the waiting list.
5. As openings occur, the membership committee will invite the applicant and sponsor to a social function. It is very important that the applicant and sponsor attend. Failure to attend this function would result in not moving up the applicants waiting list.
6. Once a membership spot is open, the applicant will be "posted" for 30 days prior to acceptance. During the "posting" period, the membership has the ability to speak to the membership committee in favor or against an applicant entire.
7. When the posting period is complete, the committee will address the Board of Governors and report their recommendation, (accept or reject), the applicant for membership in the Association. Upon the results of the vote by the board of directors, the applicant will be notified.
8. Upon notification of acceptance, the new member will be obligated to attend an orientation session and pay his annual dues (\$90).
9. The new member will be placed on probation for his first year of membership.
